• A very impressive heifer to start the sale, sound, big-topped, thick, easy keeping female. Sired by the Bentley bull we used last year, with a Durango mother, this one will be a producer for many years. Note her birthday is in December, so she will be in a different division than most older heifers. She is just a tank.

• This heifer has loads of style. She is complete, with sires and dams that have influenced the Hereford breed. Razzle's dam is a full sister to CH Bedlam 0047, who sired some of our top selling heifers last year and has went on to sire tremendous daughters. Very nice horned heifer with loads of potential.

- Super prospect here; one of my favorites. 503 is one of the most complete females in the sale, long-bodied, long-fronted and sound moving. Sired by Bentley and produced from a cow who was purchased from Holden Herefords. This heifer catches every visitors eye, and after her show career she should make one extremely nice front pasture cow.
