First Fall Female Production Sale

SUNDAY, OCTOBER 21, 2018

5:30 p.m. at Six Mile Creek Ranch, El Reno, Oklahoma

AN EXCLUSIVE OFFERING OF HEREFORD SHOW HEIFER & DONOR PROSPECTS,
OPEN YEARLING HEIFERS, SPRING BRED HEIFERS, SPRING & FALL PAIRS & AN ELITE HERD SIRE PROSPECT

Welcome to Six Mile Creek Cattle Co. for our first Fall Female Production Sale. We greatly appreciate and value your interest in our offering, which we believe is a strong set of cattle across the board.

We at Six Mile Creek are excited to be a new generation of Hereford breeders, presenting you with cattle that are not only predictable but pasture sound and have the stoutness that will produce trouble-free, high-performing progeny.

Who is Six Mile Creek? The Rubes family farm has been around for nearly 67 years. My grandparents Ed and Pearl Rubes bought the farm May 9, 1949, raising Hereford cattle. My father, Edward, then took over the farm around 1978 and continued the family legacy. During his time with the farm, Dad raised red Limousin cattle and eventually ended up with black Angus until we lost him in 2012.

Being the third generation Rubes and loving the history of the family farm, I wanted to go back to the way my grandfather did it by raising Hereford cattle. Over the past several years, we have made some key purchases to improve the quality of our herd, which has led us to this day. Many thanks to those whom we have purchased cattle from in the past to help us continue to improve the quality of our herd.

We are now excited to share the fruits of our labors with you. Please plan to join us the evening of Sunday, October 21st, as we and our fellow breeders the Currys present The Exclusive.

Mark Rubes

The Mark Rubes Family

The Exclusive sale cattle will be available for viewing at the sale site the week prior to the sale. Cattle will sell by video format and will be available for load out immediately following the sale.

THE EXCLUSIVE

curry herefords six mile creek hereford cattle co.

Sunday, October 21, 2018

5:30 p.m. at Six Mile Creek Ranch, El Reno, Oklahoma...Dinner served prior to the sale

Dear Fellow Cattle Breeders:

On behalf of myself and my entire family, we would like to welcome you to our first Annual Production Sale, hosted with Six Mile Creek. Our family has been in the Hereford business for over 30 years and strives to improve our cattle with the newest and best genetics possible.

This year's show heifer prospects are the most balanced and deepest set we have offered. Most sale catalog letters begin with this sentence, but I truly believe these heifers offer the combination of show prospects and future elite cows. When our outfit purchased C Spot On 6128, I truly thought he would be a great asset to our program. His full brother was a Denver Champion, and his full sisters look amazing. Spot On has truly been a great breeding bull. His first calf crop sells, and the two-year-old first-calf heifers will have his calves at side.

I truly want to thank my family for all the hard work that is done behind the scenes and for all the hours they have invested to make this possible.

I would like to invite you and your friends out to view the offering and join us October 21st in El Reno, Oklahoma. Thank you for taking time out of your schedule to view our catalog. See ya at The Exclusive!

Curtis Curry

ONLINE BIDDING

Live internet bidding will be available to registered bidders on the LiveAuctions.tv site. Be sure to register two days prior to the sale.

SALE TERMS & CONDITIONS

TERMS: Cash or good check. Cattle will be sold to the highest bidder. The auctioneer shall settle any disputes as to bids. All cattle are to be paid for by the purchaser during or immediately following The Exclusive and will not be released until after settlement has been made. Each animal will be at the purchaser's risk immediately after it is sold.

HEALTH: The health of the cattle selling is excellent. Each animal will be accompanied by an individual health certificate for immediate interstate shipment.

GUARANTEE: Each animal will sell under the American Hereford Association's Recommended Terms of Sale for Auctions (www.hereford.org).

BREEDING GUARANTEE: All animals are guaranteed to be breeders with the exception of (a) calves under 12 months of age at time of purchase; (b) any female that is placed in an embryo transplant program and subjected to super-ovulation; or (c) gross negligence on the part of the buyer. Females sold as safe in calf have been examined by a competent veterinarian or have been guaranteed safe in calf through a blood test. Open females are guaranteed to be without calf. Any agreement with respect to embryo transfer production shall be a separate agreement between buyer and seller.

EXPECTED PROGENY DIFFERENCES (EPDs): EPDs are updated weekly by the American Hereford Association. The EPDs included were from the 9/17/18 evaluation of the AHA. The most current EPDs can be viewed online at www.hereford.org.

LIVESTOCK INSURANCE: Insurance for your purchases will be available sale day.

ANNOUNCEMENTS: Announcements made sale day from the auction block will take precedence over statements in the catalog or other advertising. We reserve the right to withdraw any sale lot not meeting our specifications prior to sale time.

LIABILITY: All persons who attend the sale do so at their own risk. Neither the owners, the sale managers nor any other persons connected with the sale assume liability, legal or otherwise, for accidents or loss of property. As the sale managers, Layton Auction Services, LLC and Schacher Auction Services have no responsibilities other than those involved in conducting the sale.

**LOTS 1-13:
SPRING HEIFER PROSPECTS**

NJW BW LADYSPORT DEW 78P ET
Famous maternal granddam of Lots 1A & 1B

*Full sisters sell as
Lots 1a & 1b*

These two sisters come from a long line of proven winners. Their mother is the \$17,500 direct daughter of NJW BW Ladysport Dew 78P ET, the \$90,000 donor who has 122 progeny on record and has been one of the most solid producers in the Hereford breed, including sons TwentyTwelve and Cowboss. The sire of Lots 1A and 1B, Full Throttle, needs no introduction to anyone who follows the Hereford show ring. Bred for the purple, these young ladies will show *and* produce!

1a 6MC B30 Throttle Lady 844 ET

4/6/18 • cow: P43928298 • TATTOO: LE 844 • Polled

	-4.0	+3.7	+57	+95	+28	+56	+79	+66	+12	+383	+455	+128

Lot 1A has as much potential to be a show heifer as any in the sale. Her incredible, freak front ties into a smooth and angular shoulder. She carries a perfectly straight line down her top and works it into a powerful hip. All this is complemented with a fantastic turn and shape to her belly. This Full Throttle daughter has all the parts to develop into a winner. Ranks in the top 2% for \$CHB, top 4% for REA and top 20% for YW and Milk.

Lot 1B is a more moderate framed copy of her sister that has a very uniform body depth, a good, solid muscle pattern in her rear quarter and a good angle and set to her shoulder. Ranks in the top 2% for \$CHB, top 4% for REA and top 20% for YW and Milk.

• Sells open.

SPRING SHOW HEIFER & DONOR PROSPECTS

R/L LCC MISS POKER FACE 5C ET
Full sister to Lots 2A & 2B

*Full sisters to Poker Face
sell as Lots 2a & 2b*

Lots 2A and 2B are full sisters to one of the most successful show ring females in the Hereford breed, R/L LCC Miss Poker Face 5C ET. Poker Face was named Grand Champion Female eight times for Rhett Lowderman, including the 2017 National Western and 2016 North American and was the Grand Champion Bred-and-Owned Female at the 2016 Junior National Hereford Expo. These full sisters are showing the power of their bloodline.

	-0.5	+4.5	+53	+84	+32	+58	+79	+77	-10	+372	+425	+132

This female is exactly what we expected from our newest herd sire at Curry Herefords, Spot On. This big stout hipped female is extra long bodied. She lays in beautiful at the top of her shoulder into her neck. She is extremely square and level through her tail head. She has the power and bone while maintaining a feminine head and neck.

Sabra's mother, Maddi 0030, is the featured donor cow that sells as Lot 15, and Sabra's maternal brother is featured as Lot 16. With Sabra's pedigree and impeccable phenotype, we expect her to go far when she hits the show ring and on into production.

Ranks in the top 1% for \$CHB, top 2% for REA, top 5% for CW and top 10% for Milk.

• Sells open.

Rizzy is the heifer we fell in love with on day one. Her incredible style and presence are second to none, and her depth and length of body are impressive. We absolutely love how clean and long necked this female is. This young lady will be hard to miss for the rest of the year and next summer. Her mother, Rizzy 0046, is one the special donors at Curry Herefords. She traces back to the immortal Reba family and About Time. Cracker Jack semen is getting harder to find...take advantage of a great one already on the ground. We sold a paternal sib to this heifer at the Herefords in Native America Sale that was the high seller at \$11,500.

Maternal sister sells as Lot 36.

This female represents the ultimate combination of style, performance and pedigree. She is a direct daughter of KCF Miss Revolution X338, who commanded \$61,000 for half interest in the Mile High Night Sale in Denver and is also the mother of KCF Bennett Encore Z311, who is fast becoming one of the most popular A.I. sires in the breed. Her sire, Hyalite On Target, is a Trait Leader for 14 Hereford traits and a featured herd sire in the Rausch program.

This homozygous polled future donor combines a big rib shape with plenty of muscle over her top and hip and a nice, smooth look through her shoulder and front end. 812 is the complete package of genetics and phenotype.

Her genomically-enhanced EPDs rank in the top 1% for WW, CW and \$BII; top 2% for YW, Marb and \$CHB; top 3% for M&G and \$BMI; top 10% for REA.

We really like the complete package that 803 offers. She is a long, deep bodied female that is strong topped and has a very correct structure. She blends beautifully from her neck into her shoulder and smoothly to her rib. Her dam, 426T, is the feature donor for Hoffman Ranch and Collins Cattle Co. who produced the top selling bull in the 2016 Hoffman Bull Sale. Her sire, Cowboss, combines two of the Hereford breed's top producers in 88X and 78P. The combination of pedigree and look this female possesses gives her the true potential to be a big time producer in any donor program.

Ranks in the top 10% for WW and top 15% for YW and \$CHB.

Owned with Rockin' Shocker, Fort Worth, TX.

This smokin' good March heifer is sired by our herd sire Intern. When you see Cinnabun sale day, you are going to drool all over her. She has all the parts that are in demand today. With her long, cool neck and front end combined with extra rib and substance, this female will be impressive on the chips. She is made square, big hipped and stout. She has the style, lines, structure, power and hair to make it big time as a show heifer. Cinnabun can cover some ground and moves extremely well. Her sire, Intern, is a stellar son of 88X out of our donor cow Judy, a direct daughter of Moler that was a division winner at Denver as well as the Southwest Regional Show Heifer of the Year.

Stella has "cow" written all over her. This February daughter of Spot On will be hard to miss when she walks in to the ring. Just ridiculously good in her lines and how she is put together, she is very smooth in her shoulder with a long, clean neck and square out through her hip and hind leg combined with the rib and mass that it takes to win today. The real value will be realized when Stella is beyond the show ring and putting dollars in your pocket. She also has the little extras, like red to the ground and eye pigment that will never go out of style. Ranks in the top 15% for \$CHB and top 25% for Milk.

Sixlet is another heifer that will go far beyond the show ring. This very dark red female has the look of cow power written all over her. Her length of neck and cool look will put her over the edge. Add in the fact that she is ultra-deep in her body dimension and capacity. She has a long, square hip and plenty of power when you step behind her. Spot On is stacked with breed-leading genetics, and her mother is a great Navigator daughter that has About Time, Two Timin and Harland stacked in her lineage.

Another show prospect that won't be contained to the show ring. This cowy looking female will have a bright future once all the banners have been hung. She gives you that exclusive look and style that never go out of style. Sage has an abundance of rib and capacity. Her massive hip and rear leg blend very well into a nice shoulder and neck. She will get out and move with the best of them as well. Sage is yet another reason why we are so excited about our new herd sire Spot On. Her mother is a solid Line One female that has delivered every year.

Ranks in the top 3% for \$CHB, top 4% for REA, top 10% for CW and top 25% for Milk.

You will not find many Hereford cows that are as impressive to look at as 3106A is. She has a beautiful, feminine front end that ties her shoulder to neck junction perfectly. When you get behind her shoulder, she has a huge rib cage with plenty of depth and length of body. She has a flawless udder and is very maternal. Her first calf was a Catapult heifer that sold to Express Ranches in our first online sale.

3106A has a proven pedigree that has worked time and again, blending Revolution and P606. Sound, predictable genetics in a package that is super eye appealing. Do not pass up this opportunity to add her to your donor pen.

If you want a stout and powerful cow prospect, you can start here. Take a look at the square hip and dimension that this American Classic daughter possesses. She is a big footed, big boned individual with an impeccable structure that has just the right set to her hock and shoulder. Her extra shape and muscle are contained in a strong package.

- Sells open.

4012 originated from Hidden Oaks Ranch, Hamilton, TX, the program that produced a Grand Champion at the 2018 Junior National Hereford Expo. They are known for producing very eye appealing cattle with a heavy selection pressure on udder quality. 4012 is a perfect example of what their program can do, as she is a deep bodied, thick made cow that exhibits the udder quality we desire. From an appearance standpoint, 4012 can fit into any program that wants to make them good. Owned with Rockin' Shocker, Fort Worth, TX.

This will be our first daughter of 27A to offer, and you can see why we have chosen to make him a big part of our A.I. program. 738 has the look that we are seeking in our cow herd with a huge rib design, a stout and correct hip, a smooth, flat shoulder and great pigment. Her mother is a daughter of the Lot 26 cow, 269, who is a Cargo daughter from Coyote Ridge that has been a real producer.

Ranks in the top 10% for \$CHB, REA and Milk; top 20% for CED and BW; top 25% for WW, YW and CW.

The dam of this November heifer originated in the Ehlke herd in Montana and has done a great job for us, producing a heifer that sold for \$7,000 to Anderson Ranch in Texas and a Trust daughter that sold to Iron Lake Ranch. W73's four natural calves record an average weaning weight ratio of 107.3. Additionally, she is one of the first cows that we flushed, and we are retaining several daughters for our primary herd. You will not go wrong with the genetics in this pedigree, including Homegrown 8Y, Outcross, P606 and Patti 4266.

Ranks in the top 10% for Milk and top 20% for REA.

To put it simply, this young two-year-old will knock your socks off! She is a daughter of the famous Hometown 10Y and out of a proven Line One-influenced Moler daughter. You could notice this cherry red female from a mile away. She is super stout and big hiped. She has an awesome set to her rear leg and is big footed, nice and neat in her design with plenty of power to propel your operation to the next level. Not only is she impressive to see, she also has the numbers to back it up. With these numbers and such a look, you should take advantage of this opportunity to add a power cow to your herd.

It is hard to let females leave the place that look like Rae Lynn. She has a big, level hip and the rear leg that looks like perfection. She is a daughter of the famous Tankeray that has been gaining friends every time someone sees her. Her mother, Reba 7016, is a prolific donor for Currys, and you can rest assured that these genetics are potent. You have to appreciate all the attributes this female has and how much value she will add to your operation. These gals are young and ready to work hard.

An own daughter of Ribeye 88X, this female is exactly what we were hoping for and more when we mated him to her mother, the famous Reba 7016. Another young female that will work for many years for her new home, this unique two-year-old is well made through her front one-third and opens up into a beautiful rib cage with plenty of bone and soundness. We admire the fact that she is long and level down her hip and out through her tail end. A full sib sold to Bailey Williams for \$12,500 and won her division in Fort Worth, San Antonio and Houston. Look in the ring here and find a superb female with breed-leading genetics and a pile of earning potential.

Ranks in the top 4% for Milk and top 15% for REA and \$CHB.

You will need to see 737 to really appreciate her. She is out of our 4159 donor that came from Hoffman Ranch, one of the best looking young cows that we have. Her udder is flawless, and she delivers every year.

737 is a square hipped, structurally sound female that has great depth throughout. She is clean and smooth through her shoulder and has a feminine look in her front end. She has udder quality bred in on both the top and bottom sides of her pedigree. Be sure to find this future donor. Owned with Rockin' Shocker, Fort Worth, TX.

The sire of this heifer, Hometown 332A, is a featured herd sire for Ehlke Herefords and Iron Lake Ranch. His mother was a beautiful cow that Belle Ward had a great show career with and was one of the best looking two-year-olds you would ever find. Six Mile Creek Ranch used a full brother to 332A (336A), and has retained several daughters.

The dam is a daughter of Collateral 337U. The Collateral daughters have been some of the most prolific cows in the Ehlke program. This pedigree has produced a fantastic donor prospect.

Owned with Rockin' Shocker, Fort Worth, TX.
